breakdown cover.

Hire Directory

1 Week

As market leaders in the provision of innovative solutions to food holding and transportation, we can now offer an alternative to outright purchase.

Useful applications:

Additional capacity for **Corporate Hospitality & Event Caterers** where aesthetically pleasing front of house trolleys are essential.

Ideal solution to lengthy delivery schedules for new equipment, access our **immediately available** hire stock.

Use **maintenance** or **revenue budgets** to fund contract hire of trolleys. No need for capital budget/new investment applications for **procurement**.

Continually **upgrade your existing fleet** of trolleys as and when required with small capital outlay.

Medium term hire of a fleet of trolleys for seasonal **Stadium Catering Operations**, reduce fleet in off season.

Essential all round solution to all **Healthcare Catering Applications**, with disaster recovery service offered.

Contract Hire includes:

-
Pre delivery commission of all trolleys

-
Delivery to site

-
Full breakdown service cover (parts and labour), for duration of hire

-
Collection from site

Utilise our extensive fleet of ScanBox trolleys, available for immediate despatch.

Please see the following pages for further technical details on available trolleys.
